

Ex Therm-AT
Ex surface/room thermostat -20 - +40°C

Typical fields of application:

- Machinery and plant engineering
- Chemical industry
- Food technology
- Pharmaceuticals and biotechnology
- Gas regulator stations
- Sewage treatment plants
- Paintshops

Part no.: 934251

Technical data:

ATEX identificationEx II 2G Ex de IIC T6 Gb
Control range..... from -20 to +40°C
Admissible ambient temp. -40 - +40°C
Switching capacity AC 230V, 16(2,5)A,
.....cos φ = 1 (0,6)
Switching function..... Temperature monitor,
.....safety temperature monitor, -limiter
Housing protection..... EN 60 529 - IP 65
Housing material Polyester (reinforced)
